

**BUY AND SELL
USED EQUIPMENT**

The premier marketplace for used wide and grand format equipment

-  **Owners receive top dollar for their used equipment.**
-  **Buyers have the opportunity to enter the market with quality used equipment.**

Welcome to the Global Garage

The place to find the world's best selection of used wide and grand format digital print equipment delivered with professionalism and accountability. Buyers in the Global Garage will learn about equipment inspection and financing options for their purchase. Sellers will find easy to use technology and the biggest pool of motivated buyers on the planet.

Easy to Use Website

Our web interface makes it easy for sellers to provide details, photos and videos on the equipment to be sold. Buyers quickly find what they are looking for through our well organized listings.

Worldwide Exposure

We maintain current search engine optimization practices so buyers and sellers can always find our site. We maintain a list of more than 28,000 industry contacts that we market to regularly. Our site is visited by more than 130 countries and 40% of our transactions are international.

Parts Depot

NEW AND USED PARTS

Online shopping for New and Used Industrial printer parts and accessories. At the Parts Depot you will also find belts from the following manufacturers: EFI-VUTEK, AGFA Anapurna, HP-Scitex, IP&I, Dilli, DuPont and GCC.
